MRS. P. I. LIPSEY, JR.

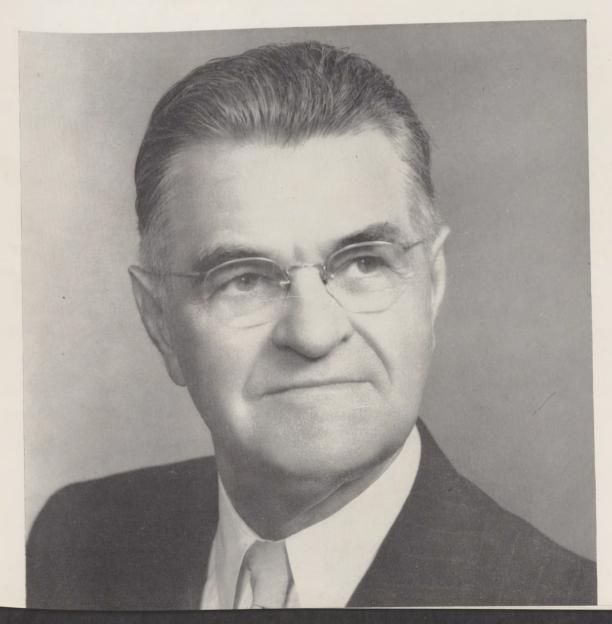

Though many are students of life, few attain genuine philosophy. One of these few we have in our midst. A woman deeply revered for her sterling character, her broad learning and scholarly attainments, her constructive interest in student affairs, and her gracious personality has captured elicited admiration from her professional associates and warm esteem from her students. In the sincerest appreciation of her stimulating influence, her peerless example, and to the paragon of Christian womanhood, THE 1952 TRIBESMAN is respectfully dedicated to Mrs. P. I. Lipsey, Jr.

Our Persident Testident

Dr. D. M. Nelson is justly respected for his efficiency in managing the Administrative functions of his office. Far greater, however, he is admired for the manner in which he is

guiding the progress of Mississippi College according to the school's traditional ideals for "Truth and Virtue." Quiet dignity and Christian consideration describe his leadership.

THE DEANS

MRS. GRACE MEDLIN ELSEY, B.S.

Dean of Women; B.S., Southwest Missouri State Teachers College; Study, Mississippi College.

Mrs. E. N. Elsey, endowed with many talents and abilities, is an invaluble personality on Mississippi College campus. Her unbiased attitude, her understanding of human nature, and her practicality have inspired not only women students, of whom she is Dean, but all who know her to live in harmony and cooperation.

We proudly present our dean! The duties of this office are many and varied, but Dr. Spell performs them effectively. Complicated schedules are no problem to him. His "good mawning" to all has become a permanent fixture on our campus. His brilliant interpretation of and familiarity with the Bible have merited for him the admiration of the Student Body.

ACTIVITIES

MISSISSIPPI COLLEGE STUDENT GOVERNMENT

The Student Body Executive Council is elected of the students, by the students, and for the students. This Council's aim and purpose is to handle student matters and to make recommendations to the Student Body which will help make Mississippi College a better place to get a well-rounded education. President Jimmy Pittman efficiently led the 1952 student government through a year of outstanding success in everything undertaken as a result of the cooperation of the student body.

Every girl at Mississippi College plays a vital part in Women's Student Government. In order that Women's Student Government be successful and efficient, the cooperation of every girl is necessary.

Composed of the president, vice-president, secretary, and treasurer, the Executive Council is elected in the fourth term each year by the women students. To be eligible to hold an office, a girl must meet certain qualifications, which are specified in the constitution.

The larger council is composed of the members of the Executive Council and the House Presidents. House Presidents are elected twice a year.

THE 1952 TRIBESMAN

Once again as the campus is humming with the activity that marks the advent of Spring and anxiety that precedes the termination of another session of school, the annual staff takes great pride and pleasure in presenting to you the 1951-52 TRIBESMAN. This year has been one marked by momentous occasions, and the staff has endeavored to present you with a book which you will be

proud to possess and in years to come one which you can proudly look back to for memories of those wonderful experiences at dear ole M. C.

We of the staff heartily express our sincere thanks to everyone who has in some way aided us in the preparation of this book and who has helped us in presenting M. C. as it is.

THE MISSISSIPPI COLLEGIAN

The "Collegian" attempts every week of the school year to spread the news of the entire school to all concerned. The "Collegian" seeks to be a reflector of school life on M. C. Campus, representing students, faculty, administration and alumni as impartially as possible.

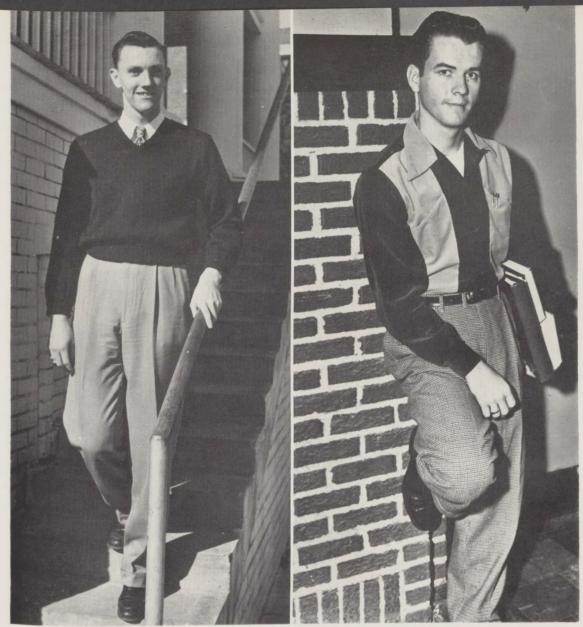

The "Collegian" is concerned with present-

ing and upholding the advantages of Mississippi College and the Christian principles upon which she is built.

With only an amateur knowledge of journalism, the staff has occasionally parted from the best of grammar and style; yet they have produced a paper which M. C. Choctaws are proud to call their own.

The "Arrowhead" is the Choctaw magazine published every three months. The purposes of this magazine are to serve as an outlet for the creative expression of students, to encourage those with creative ability, and to portray the campus life. The staff has endeavored to enlist the services of as many talented persons as possible in this our M. C. literary journal.

HOW THEY WERE SELECTED

Of the outstanding events on the M. C. campus each year, the selection of the Campus Beauties and Favorites is one of the most outstanding. This year at the polls conducted by the TRIBESMAN the students voted by secret ballot for twenty fair maidens. Each person nominated three beauties and the top five were proclaimed the Campus Beauties. Each person nominated ten favorites and the

top fifteen were thus proclaimed as the Campus Favorites.

Early in the winter, to the theme of "A Pretty Girl Is Like a Melody," these twenty fair maidens were presented to the students in the "Parade of Favorites."

This year the feature pictures were made in the Governor's Mansion in Jackson.

WHO'S WHO IN AMERICAN

Thirteen outstanding students were selected by the faculty to represent Mississippi College in the 1951-1952 Who's Who in American Colleges and Universities. They represent various phases of campus life and are outstanding in the classroom as well as in extra-curricular activities.

As reaffirmed by student elections, Kathryn Ball, Miss MC of 1951-1952, is not only pretty and popular but talented and highly intelligent as well. As a vital participant in the student life at MC, she is also a popular and worthy candidate for this further honor.

Versatility, heart-warming friendliness, contagious good humour combined with sincerity and depth of purpose have made Billy Causey an outstanding BSU President and an inevitable addition to the annals of Who's Who in American Colleges and Universities.

James Dukes, tall, good-looking, versatile, and intelligent, is an excellent student in every respect. At M.C. he made his official debut on the basketball court as an all-time high score man. He has served his classmates well this year as President of the Senior Class.

Since his Freshman year, the grades of Charles Eudy have

indicated that he would be among these top chosen few. His quiet, pleasant manners and flashing smile have won for him many friends during his Choctaw career. Outstanding in his abilities and achievements, he has served as President of the MC Band this year.

Dick Hill, the little-big-man on our campus, has certainly earned for himself a Who's Who key. His pleasant personality and his friendly "hi" to each Choctaw he meets have made him popular among the other members of the tribe. He has played an integral part in campus activities, serving as cheerleader and Student Body Attorney.

Friendly, consecrated, energetic, dependable, and capable, Frank Horton, a Delta native, has been a typical Mississippi College Choctaw. No job has ever been too big for him. Frank has served the Chocs as cheerleader and representative of the Student Body. It has almost gotten traditional for him to receive the "Most Friendly Boy" title, He has brought honor to Mississippi College by serving as B.S.U. President for the State of Mississippi.

Sincere, Intellectual, dependable, and loyal, Fred Howard

Jasper McPhail, Patricia Simmons, James Dukes, Dolores Slay, Billy Causey, Dick Hill, Not pictured: Fred Howard

COLLEGES & UNIVERSITIES

has been an asset to M.C. In his humble but magnificent way, he has led those who have been called by Him by serving as the efficient president of the Ministerial Associa-tion

tion.

Jasper McPhail, the tall guy who edits the paper, takes up collection in the cafeteria, and sets the curve in Chemistry has found a place among the outstanding students of MC. Intelligent, versatile, and "nice to know," he is a consecrated Christian who plans to become a medical missionary.

One of those people who knows everybody and is the first congratulate you on any achievement, who practices the Christian way of living, and who has the optimistic outlook on life is Jimmy Pittman. As President of the Student Body, he has truly led his fellow-classmates in such a fine way that he has earned for himself the title of Mr. MC. His outstanding personality, his scholastic achievements, his leadership ability, and his ability to get along with other people have merited for Jimmy a place in Who's Who in American Colleges and Universities.

Sandy haired Betty Jo Rasberry has made MC a sweeter

place to be for many during the past four years. Her intelligent and capable leadership in various campus activities, her charming personality, and her devotion to high ideals have gained for her admiration and true friends. Known to most of her friends as "Trisha," Patricia Simmons will remain a favorite with faculty and students—partly because of her valuable contribution as Student Body Secretary and partly because of naturalness, friendliness, wholesomeness, and sense of responsibility.

Dolores Slay, in serving as president of the Women's Student Government, has demonstrated in her quiet and charming manner a spirit of helpfulness and dependability that proves a model for those who serve with her. She has taken a very active part in BSU work and has been a popular member of her class.

Versatility definitely characterizes red-headed Joan Stockstill, who is called "Rusty" for short. Full of energy, originality, and loyalty are a few of the traits she has exhibited at MC. Her work with the BSU has been outstanding, not only on our campus, but in the entire state of Mississippi, and she is well known for her exceptional skill at the piano.

COACHES "Lefty" Fulton, Stanley Robinson, Hollis Rutter

The Athletic Department of Mississippi College has long been known not only for the high caliber athlete it produces, but also for the high caliber man it produces. Re-

auces, but also for the high caliber man it produces. Responsible in a large way for this is Athletic Director and Head Coach Stanley L. Robinson.

It has been truly said that no man can work with "Coach Robbie" for long without being indelibly stamped by his great personal character. It is his character which guides

his athletes on the field while they are under his surveillance, and it is his character which guides his men while they are off the field and not under his surveillance; because he has instilled in everyone who comes in contact with him the principles of fair, earnest play and the way of life for which he stands. And the sum and substance of this way of life may be found in one of the mottos hanging in the football dressing room. It reads as follows: "It is

total of 315 points in nineteen games for an average of 16.6 points per game. Not far behind were guard Lewis Myers with 202 total points for a 10.6 per game average and center Bob Smith, with 196 points for a 10.3 per game average. Next in scoring honors came Johnny Byrd and Barney Loposer, with Jim Reinebold, Louis McGuire, Jim Ahrens, and Billy Hunter all contributing their share of the points.

The scoring efforts of the Choc cagers have amassed a healthy season total of 1338 points, from an average of more than sixty points per game.

While guard Barney Loposer remained the team's most consistent defender, Bob Smith and Jim Reinebold provided some of the season's most memorable moments. The ambidextrous qualities of Smith's shooting never ceased amazing the audience, while the fancy dribbling and faking of Reinebold never ceased amazing the opponents.

Though the won-lost record is not impressive, there are few who doubt that the season was successful in the final analysis.

BASEBALL

Though the 1951 Mississippi College base-ball club suffered greatly from inexperience, it showed its fine spirit by winning almost a third of its games, several of which were played against some of the best teams in the south, including Mississippi State and Florida State, and against Bradley University, one of the best teams in the middle states.

After getting off to a slow start, the Choc-

taws found themselves in their 13-6 win over Carthage College and went on to add six more victory scalps before the season ended.

Journeying to Whiting Field the Choctaws again showed their finesse as they came from behind in a thriller to beat the fliers 12-10. As the season progressed Memphis Navy twice fell victim to the fine hitting and "airtight" defense of the improved Chocs as they

lost 12-6 at Clinton, and 8-7 on their home field in Memphis.

It was again the Choctaws, as they moved to Birmingham to walk over the Howard University nine by a score of 11-3 in the first of a two-game series which was cut short by rain. At Southwestern it was the same story—the Chocs led all the way as the hitting of David Lee and the Pittman brothers, Jim and Bobby, helped thump in ten runs to carry the game 10-1.

Perhaps the most exciting game of the year was the nip-and-tuck affair with Florida State, which gave us our last victory of the season. Played at Clinton, the local fans saw the lead change hands no less than four times, with the visitors holding a one run lead until the last half of the ninth, when the Braves came from behind with one run to tie the score, then with another run to win the game and lower the curtain on a successful baseball season.

TRACK

The 1951 Track Team got off to a fine start when it copped top honors in a triangular meet with Delta State and Arkansas A&M. The Tribe took seven first places and 62 points while Delta State managed 40 points and Arkansas only 29.

The M.C. cinder team was successful against Howard with a rousing 86.5 to 44.5

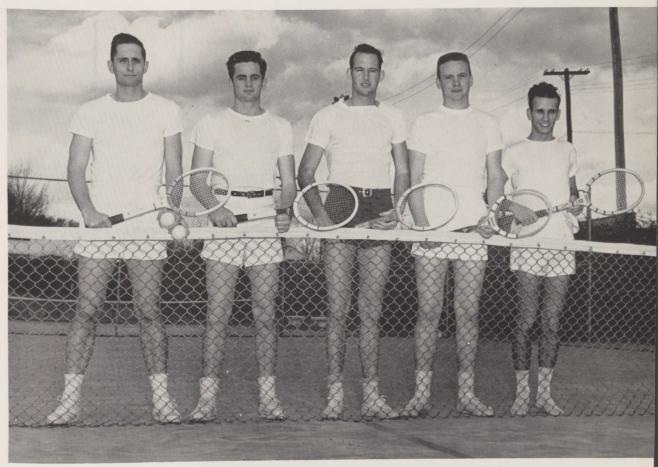

win in which the Braves captured twelve first places and swept two events.

Coach Fulton's 1951 track team vied with the best in the Dixie Conference last year, as it brought its season to a close by taking no less than twenty places in the Conference and placing third in the scoring. One of these places was the new Dixie Conference high hurdle record set by Joe Murphy to go with the mile run record set by Track Captain Hainon Miller in 1950.

AND TENNIS

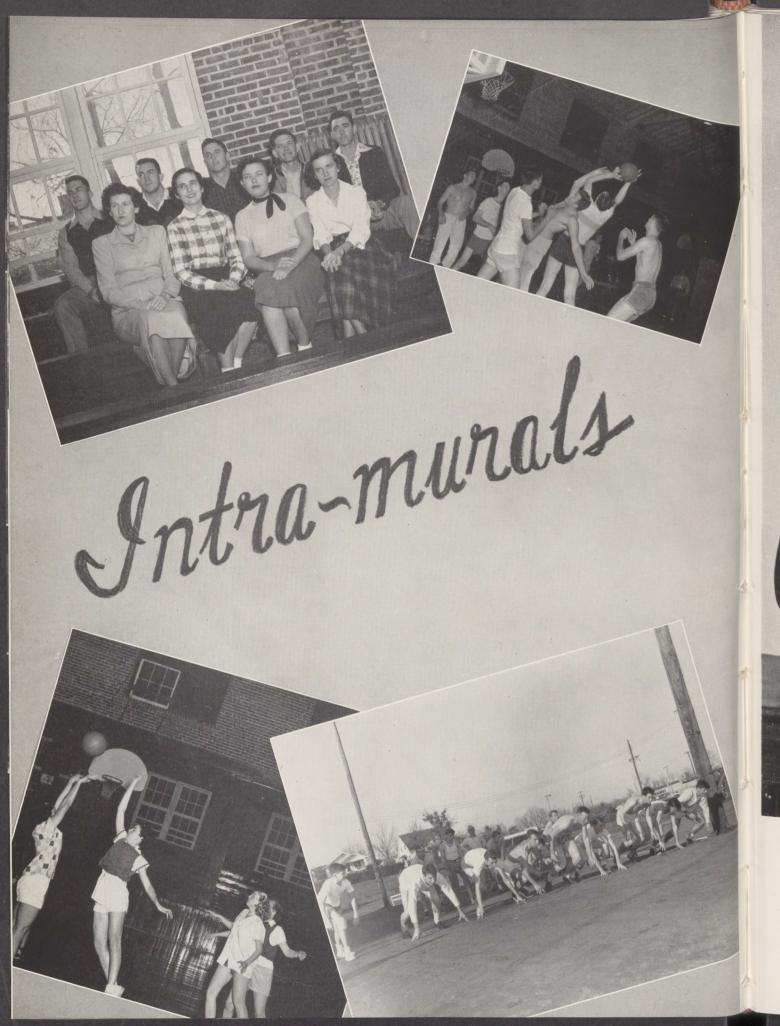

(Left to Right): Gene Allen, Milben Rogers, Walter Ahrens, Ben Kitchings, Dudley Pearce.

The 1951 tennis season started off with the returning of five 1950 letter men and the addition of one new member. These returning letter men were Ben Kitchings, Walter Ahrens, Gene Allen, Dudley Pearce, and Milben Rogers. The new addition was Bobby Hannah, who added new life and a spirit of team loyalty that was inspiring to old team members.

One of the outstanding accomplishments of the season was the defeat of the Millsaps Majors. Another equally outstanding accomplishment was a greater feeling of team spirit that was felt lacking in the former season.

Under the supervision and instruction of Professor A. T. Scroggins and Dr. W. O. Sadler, the Mississippi College tennis team had a very successful season.

ORGANIZATIONS

PUBLICATIONS BOARD

The purpose of the Publications Council is to oversee the three student publications of Mississippi College. The Council is composed of appointed faculty members, the President, and Attorney of the Student Body, and the editors and business managers of the "Collegian," "Arrowhead," and TRIBESMAN.

During the current year Dr. Norman O'Neal has served as the chairman of the council, and Mrs. P. I. Lipsey has served as secretary. Characterized by an attitude of co-operation, the council has served as a clearing house for all matters of mutual interest of the campus publications.

"Go ye into all the world and preach the gospel" is the message Jesus gave his followers just before He ascended into heaven. And this is just what the V.M.B. here at M.C. strives to do. The main objective of the V.M.B. is to carry God's work to ones in need of it in the Clinton-Jackson area. Eight mission points are attended weekly, with students conducting the worship services.

It is composed of all students on Mississippi College campus who are concerned

about the advancement of the Lord's kingdom. Each week on Thursday evening at the Student Center, the V.M.B. meets to hear reports about the mission activities, to participate in inspirational programs, and to enjoy Christian fellowship. The V.M.B. sponsors several mission programs through the year. One such program presented this year was the film "The Great Discovery" starring Collen Townsend.

MISSISSIPPI COLLEGE

The Band Parades Down Capital Street

Under the direction of Mr. Walter Duda, the band has made tremendous strides forward this year. The enrollment has almost doubled that of last year and many new instruments have been added to the band.

The marching band has participated in numerous campus activities such as pep rallies and parades, and has given entertaining pre-game and half-time performances at our home football games. The band also journeyed to Millington, Tennessee, to support our football team when they played Memphis Navy.

The plans for the concert band include three concerts presented in Nelson Hall and an out of town concert tour of sacred music.

The purpose of the Tribal Players is to further the Dramatic interest and furnish entertainment on the campus. The members learn to work together as a unit, one for all and all for the show. By participating in the plays the members of the organization gain poise and stage presence. This year three productions were given. The first production consisted of three one-act plays, "First Dress Suit," "Poor Old Jim," and "Finders Keepers." The second was a modern three-act comedy, "Village Green." The third production was the commencement production, "The Taming of the Shrew."

Mr. and Mrs. Hollis Todd, sponsors of the Tribal Players, work with the club as they strive for greater heights of fine entertainment and training.

EPSILON KAPPA KAPPA

The Epsilon Kappa Kappa is a girls' cultural and social club composed of voluntary members. Founded in 1945, it is now one of the leading organizations on the campus. The purpose of EKK is to encourage cultural and social development among the girls. With the purpose of improving social aspects of the entire student body in mind, the organization promotes various social activities throughout the year.

FORENSIC CLUB

Activities of the Forensic Club include: Discussion, Debating, Oratory, Extemporaneous Speaking, After Dinner Speaking, Oral-Interpretation.

The purpose is to promote interest in problems of national and international scope with problem solving as the major objective; however, Forensic activity is not an end in itself; but it looks to the higher goal of teaching the participants to think objectively, logically, and clearly. In attaining these goals better thinkers, preachers, and public speakers will be developed.

'M'' CLUB

Composed of the "cream" of Mississippi College students, the M Club is one of the most outstanding organizations on the campus. Only those who have excelled in one of the major sports (football, basketball, baseball, track, and tennis) and have won the coveted varsity "M" are eligible for membership.

These men are the ones who have held the Banner of Truth and Virtue high on the athletic field. They have learned to take the bitterness of loss with the sweetnes of victory with a sportsman's attitude. These men are in the game not for material wealth, but for the satisfaction of spirited competition.

HOME ECONOMICS E D. C L U B

The Home Economics Club presents to the girls numerous opportunities to learn about being a better hostess and to learn various modes of homemaking. This is a newly organized club which is promising to be quite valuable to the girls at M.C.
